

About Carnets

An ATA or MICCI/TAITRA Carnet is an international customs and temporary export-import document used to clear customs in 78 countries without paying duties and import taxes on merchandise or equipment that will be re-exported.

A Carnet is **valid for up to 1 year** from its issue date. However, individual Customs authority may grant a **limited authorized period of exportation and importation**. These periods may be extended by the Customs authorities but will not exceed the expiry date of the Carnet.
